Winston Salem, NC - July 22, 2011

Sharpe Images and NextPlans are pleased to announce their new public on-line plan room service "NextBids". "NextBids will provide more project content and service capabilities to our users by including projects in Virginia and Georgia. We hope to build on our long-standing slogan 'Do you know where your next project is... We Do!' by servicing a broader geographic region", states Chris Perkins, Director - Technical Services.
